

Operative Goldmine in Exploration

Operative Goldmine in Exploration

Kirgisistan hat viele der größten Goldminen in Zentralasien.

Befindet sich an den Nordhängen des Kirgisischen Gebirges, im Oberlauf, rechten Komponenten des Karabulak-Stroms, im zentralen Teil der Bulakashinsky-Erzfelder.

Vulkangestein ist Teil der geologischen Struktur des Standorts – Andesit und Andesit-Basalt Gesteine. Intrusionsgesteine werden durch Gabbro-Shonkinite, Syenit-Diorite und Granodiorite repräsentiert, die separate Phasen eines einzelnen Intrusionskomplexes sind. Charakteristisch für die Formationen dieses Komplexes ist ihr flächiges, flachabfallendes Vorkommen mit Neigungswinkeln von 10° bis 50° in den umschließenden vulkanisch-sedimentären Gesteinen.

Mit diesen Strukturen und verbunden mit der Bildung von mineralisierten Zonen und Erzkörpern der Lagerstätte.

Identifizierte Gold- und Kupfermineralisierungen sowie Beresitisierungs- und Verkieselungszonen am Standort Severny beschränken sich entweder direkt auf Granodiorit-Intrusionen oder häufiger auf ihre intrusiven Kontakte mit vulkanogenem und intrusivem Gestein des Wirts.

Die Beresitisierung der Zonenbreite erreicht hier die ersten zehn Meter; verfolgte Länge bis 400 Meter. Unter den Beresiten die intensivste Äderung. Verkieselung, Lager disseminierte Verbreitung von Sulfiden von Kupfer, Blei, Eisen, Molybdän.

Merkmale

Die Goldlagerstätte ist eigentlich ein großes Feld, dass aus mehreren Goldlagerstätten und einer Kupferlagerstätte besteht. Der Verkäufer betont, dass ein hoher Goldgehalt vorliegt (The seller claims of having a high grade of gold (Goldgehalt in Prozent pro 1 Tonne). Allerdings ist das Feld nicht sehr gut entwickelt. Alle Daten wurden von sowjetischen Ingenieuren gesammelt und es scheint, dass seit dieser Zeit nichts weiter unternommen wurde.

Die als P1 und P2 qualifizierten Reserven sind nach kanadischen oder australischen Standards gleich: Ergebnisse, Ziele und Potenzial der Exploration gelten alle als niedrigster Level der Exploration.

The information contained herein does not constitute an offer to sell or a solicitation of an offer or a recommendation to purchase securities under the securities laws of any jurisdiction, including the United States Securities Act of 1933, as amended, or any US state securities laws, or a solicitation to enter into any other transaction

The projected financial information contained in the Memorandum is based on judgmental estimates and assumptions made by the management of the target Company, about circumstances and events that have not yet taken place. Accordingly, there can be no assurance that the projected results will be attained. In particular, but without prejudice to the generality of the foregoing, no representation or warranty whatsoever is given in relation to the reasonableness or achievability of the projections contained in the Memorandum or in relation to the bases and assumptions underlying such projections and you must satisfy yourself in relation to the reasonableness, achievability and accuracy thereof.

By delivering this Memorandum, neither MergersUS Inc., nor its authorized agents are making any recommendations regarding the acquisition or strategies outlined herein. Interested parties shall exercise independent judgment in, and have sole responsibility for, determining whether an acquisition of the Company is suitable for them, and neither MergersUS Inc, nor its authorized agents have responsibility to, and will not, monitor the condition of interested parties to determine that an acquisition is or remains suitable for them. Among other things, suitability of an acquisition will depend upon an interested party's investment and business plans and financial situation.

This document is prepared for information purposes only. It is made available on the express understanding that it will be used for the sole purpose of assisting the recipients to decide whether they wish to proceed with a further investigation of the Proposed Transaction.

The recipients realize and agree that this document is not intended to form the basis of any investment decision or any other appraisal or decision regarding the Proposed Transaction, and does not constitute the basis for the contract which may be concluded in relation to the Proposed Transaction.

All information contained in this document may subsequently be updated and adjusted. MergersUS Inc. has not independently verified any of the information contained herein or on which this document is based. Neither the Company, nor its management or shareholders, nor MergersUS Inc. , nor any of their respective directors, partners, officers, employees or affiliates make any representation or warranty (express or implied) or accept or will accept any responsibility or liability regarding or in relation to the accuracy or completeness of the information contained in this document or any other written or oral information made available to any interested party or its advisers. Any liability in respect of any such information or any inaccuracy in or omission from the document is expressly disclaimed.
